

2011 Season

Dear Friend:

We, at The Burt Wood School of Performing Arts, are currently celebrating our 16th season and are proud to be presenting our next summer musical *42nd Street*. Last summer's production of *GODSPELL* was not only a big hit but also a real crowd pleaser! We intend to wow them again this year and are sure that the music from *42nd Street* will enthrall our audiences!

Our annual Summer Arts Festival involves over 60 students from several communities throughout southeastern Massachusetts, though we still draw mainly from the immediate area - the children of your community! Historically, we have nearly sold-out crowds at each of our three performances...what an easy and great way to reach a large majority of the community's families and consumers!

As you already know, a production like this is no small endeavor and we ask that you take the time to consider advertising in our program. You may use the back of this form to send your individual or business message.

For another year, we are offering benefactors the opportunity to sponsor an individual student. These students - selected not only on their talent - but also on their ability, maturity and sometimes need, participate in our summer program at no cost to their families. Along with the original fund-raising form on the back of this letter, I have enclosed our Sponsor a Student form also.

The production dates are August 6 at 7:00pm, and August 7th at 1:00pm, at Middleboro High School. If you have any questions, please contact me at The Burt Wood School of Performing Arts, at (508) 946-1071. Thank you in advance for your consideration!

Sincerely,

Lorna J. Brunelle

2011 Season

Dear Community Leader:

As we celebrate our 16th season, The Burt Wood Summer Arts Festival is preparing to produce another fabulous musical.

Each year, we hand-select performers to participate in our four-week program at no cost to them or their families. They are chosen based on not only their talent and sometimes their need, but also on their maturity and commitment.

I write to you now in anticipation of you & your company sponsoring one of these Student Interns. Though the tuition is \$675.00, you can sponsor a student at any of the other rates available.

I have enclosed a sponsorship form for your perusal. I thank you in advance for your consideration and look forward to hearing from you.

Sincerely,

Lorna J. Brunelle
