

2008 Season

Dear Friend:

We, at The Burt Wood School of Performing Arts, are currently celebrating our thirteenth season and are proud to be presenting our next summer musical production – though it has yet to be chosen. Last summer's production of *High School Musical* was not only a big hit but also a real crowd pleaser! The energetic music from this new Disney show had our audiences singing along with all the upbeat refrains and also dancing in the aisles! We intend to wow them again this year and are sure that whatever musical is chosen will enthrall our audiences!

Our annual Summer Arts Festival involves **over 80 students** from several communities throughout southeastern Massachusetts, though we still draw mainly from the immediate area - the children of your community! Historically, we have nearly sold-out crowds at each of our three performances...what an easy and great way to reach a large majority of the community's families and consumers!

As you already know, a production like this is no small endeavor and we ask that you take the time to consider advertising in our program. You may use the back of this form to send your individual or business message.

For another year, we are offering benefactors the opportunity to sponsor an individual student. These students - selected not only on their talent - but also on their ability, maturity and sometimes need, participate in our summer program at no cost to their families. Along with the original fund-raising form on the back of this letter, I have enclosed our Sponsor a Student form also.

The production dates are August 1, 2 & 3 at Middleboro High School. If you have any questions, please contact me at The Burt Wood School of Performing Arts, at (508) 946-1071. Thank you in advance for your consideration!

Sincerely,

Lorna J. Brunelle

2008 Season

Dear Community Leader:

As we celebrate our thirteenth season, The Burt Wood Summer Arts Festival is preparing to produce another fabulous musical.

Each year, we hand-select teenage performers to participate in our four-week program at no cost to them or their families. They are chosen based on not only their talent and sometimes their need, but also on their maturity and commitment.

I write to you now in anticipation of you & your company sponsoring one of these Student Interns. Though the tuition is \$650, you can sponsor a student at any of the other rates available.

I have enclosed a sponsorship form for your perusal. I thank you in advance for your consideration and look forward to hearing from you.

Sincerely,

2008 Season

Dear Friend:

We, at The Burt Wood School of Performing Arts, are currently celebrating our twelfth season and are proud to present our next summer film production, DRAMA-RAMA. Last summer's film production of *Most People* was not only a big hit but also a real crowd pleaser! The annual film productions are a great introduction to on-camera acting and are always a blast to watch. Along with being premiered locally, our film productions are then entered into regional film festivals upon completion.

Our annual Summer Arts Festival involves **over 80 students** from several communities throughout southeastern Massachusetts, though we still draw mainly from the immediate area - the children of *your* community! Historically, we have nearly sold-out crowds at each of our three live stage performances...what an easy and great way to reach a large majority of the community's families and consumers!

As you already know, productions like these are no small endeavor and we ask that you take the time to consider advertising in our program. You may use the back of this form to send your individual or business message.

Our annual stage production will be held at Middleboro High School on August 3, 4 & 5 and all advertisements placed for either the stage production or the film production will be included in one playbill. If you have any questions, please contact me at The Burt Wood School of Performing Arts, at (508) 946-1071. Thank you in advance for your consideration!
